

AUDIO ADAPTER

Fulbrook Lane, Sherbourne,
Warwick, CV35 8AR, ENGLAND

Tel: 01926 624800
Fax: 01926 624900

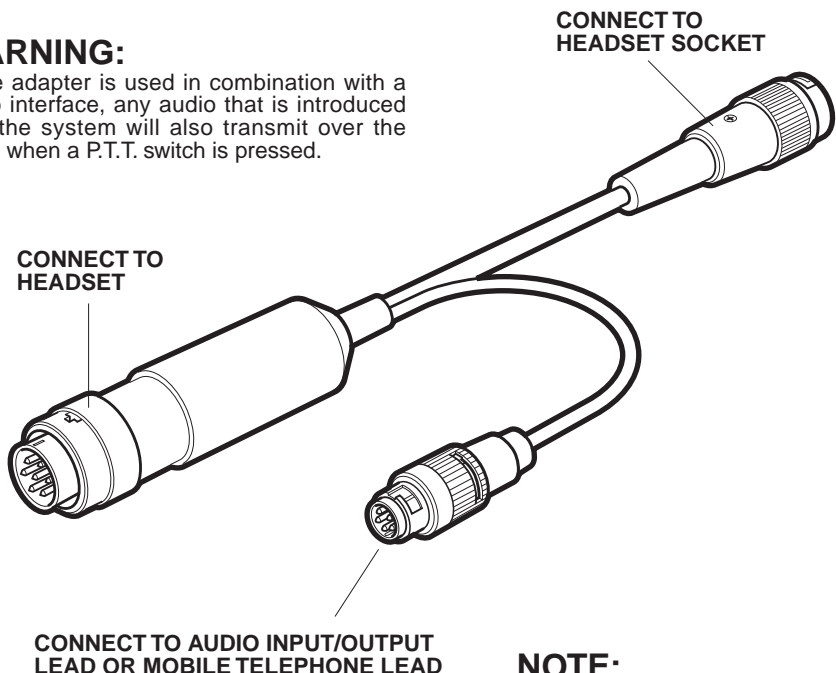

REF: E028-0 28-02-01

INSTALLATION INSTRUCTIONS

The Audio Adapter allows an Audio Input/Output Lead or a Mobile Telephone Lead to be connected directly to Micro System equipment.

WARNING:

If the adapter is used in combination with a radio interface, any audio that is introduced into the system will also transmit over the radio when a P.T.T. switch is pressed.

NOTE:

When connected to only a single headset, a Headset Switching Adapter must be used to switch-on the assembly.

IMPORTANT

READ THIS INFORMATION CAREFULLY BEFORE ATTEMPTING TO USE THIS ITEM OF EQUIPMENT
